LUNAR NEW YEAR CELEBRATION
Come celebrate with other kids as we usher in the Year of the Pig! All supplies provided. Registration required.

FEBRUARY 12
4-5 P.M.

ART AFTERNOON
Marbled paper is an important part of the book world and in this program we will make our own swirly creations. All supplies provided. Registration required.

FEBRUARY 19
4-5 P.M.

UNDER CONSTRUCTION
Construct something amazing with Strawbees! We’ll be using regular old straws and these cool connector pieces to make awesome inventions. All supplies provided. Registration required.

FEBRUARY 26
4-5 P.M.

STEM FOR TWEENS
What exactly is inside that computer case? We’ll give you an old machine, some tools, and the freedom to explore. All supplies provided. Registration required.

CODING CLUB
WEDNESDAYS @ 4
Join us for a weekly coding club where we will practice thinking like programmers. With the help of Ozobots, participants will be able to work through coding projects by themselves and with the help of their peers, and staff will be on hand to offer mentoring and support. While there are ways to play with Ozobots without a computer, the library’s 10 chromebooks will be distributed on a first-come, first-serve basis so bringing a laptop from home is encouraged.

Programs for children ages 8-12.
